OFFICE ACTION

Information Disclosure Statement Noted

1. The information disclosure statement submitted by appellant on Sept. 2, 2003 (Paper No. 30) was filed after the application had been forwarded to the Board of Patent Appeals and Interferences on December 30, 2002 for decision on the appeal. The submission complies with the provisions of 37 CFR 1.97. Accordingly, appellant's petition to have the information disclosure statement entered and considered by the examiner is granted. Note the attached signed copies of forms PTO-1449 (Paper No. 24, with publication dates corrected to proper format, and Paper No. 30, all references in Paper No. 30 being duplicates of appellant's previous submission in Paper No. 24).
2. As the examiner elects not to reopen prosecution based on any information in Appellant's disclosure, the application is now being returned to the Board of Patent Appeals and Interferences for decision on the appeal.

Conclusion

3. Any inquiry concerning this communication, or earlier communications, should be directed to the examiner, Jerry O'Connor, whose telephone number is (703) 305-1525.
